The factors to be considered shall include, but not be limited to, "replacement cost" less any depreciation and market value. In determining depreciation, consideration shall be given to the condition of the property immediately before the damage, the resale value, the normal life expectancy of the property and obsolescence.

13. LOSS ADJUSTMENT

The "Condominium Corporation" has the exclusive right to adjust any loss with the Insurer, and the owner of a damaged "unit" is bound by such adjustment, provided, however, that the said "Condominium Corporation", may in writing, authorize an owner to adjust any loss to the owner's "unit" with the Insurer.

14. LOSS PAYABLE

Loss, if any, shall be payable in accordance with the provisions of the legislation under which the "Condominium Corporation" is constituted. If the legislation has no such provisions, loss, if any, shall be payable as stated on the "Declarations Page".

If at the time of the loss there is other insurance in the name of the "Condominium Corporation" insuring the property described in this form (whether collectible or not), the Insurer shall be liable for no greater proportion of any loss than the amount of insurance under this form bears to the amount of all insurance covering such property.

However, this subparagraph does not apply to:
 - (i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of mobile equipment that is not an "automobile" or its parts, if such fuels, lubricants or other operating fluids escape from a mobile equipment part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;

 - (b) Claim or "action" by or on behalf of a governmental authority for "compensatory damages" because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

However, this Section (2) does not apply to liability for "compensatory damages" because of "property damage" that the insured would have in the absence of such request, demand, order or statutory or regulatory requirement, or such claim or "action" by or on behalf of a governmental authority.

5. Terrorism

"Bodily injury", "property damage" or "personal and advertising injury" arising directly or indirectly, in whole or in part, out of "terrorism" or out of any activity or decision of a government agency or other entity to prevent, respond to or terminate "terrorism". This exclusion applies regardless of any other contributing or aggravating cause or event that contributes concurrently or in any sequence to the "bodily injury", "property damage" or "personal and advertising injury".

6. War Risks

"Bodily injury", "property damage" or "personal and advertising injury" arising directly or indirectly, in whole or in part, out of war, invasion, act of foreign enemy, hostilities (whether war be declared or not), civil war, rebellion, revolution, insurrection or military power. SUPPLEMENTARY PAYMENTS - COVERAGES A, B and D

1. We will pay, with respect to any claim we investigate or settle, or any "action" against an insured we defend:
 - a. All expenses we incur.
 - b. The cost of bonds to release attachments, but only for bond amounts within the applicable limit of insurance. We do not have to furnish these bonds.

 - e. Any interest accruing after entry of judgment upon that part of the judgment which is within the applicable limit of insurance and before we have paid, offered to pay, or deposited in court the part of the judgment that is within the applicable limit of insurance.

These payments will not reduce the limits of insurance.

2. If we defend an insured against an "action" and an indemnitee of the insured is also named as a party to the "action", we will defend that indemnitee if all of the following conditions are met:
 - a. The "action" against the indemnitee seeks "compensatory damages" for which the insured has assumed the liability of the indemnitee in a contract or agreement that is an "insured contract";
 - b. This insurance applies to such liability assumed by the insured;
 - c. The obligation to defend, or the cost of the defense of, that indemnitee, has also been assumed by the insured in the same "insured contract";
 - d. The allegations in the "action" and the information we know about the "occurrence" are such that no conflict appears to exist between the interests of the insured and the interests of the indemnitee;

So long as the above conditions are met, legal fees incurred by us in the defense of that indemnitee, necessary litigation expenses incurred by us and necessary litigation expenses incurred by the indemnitee at our request will be paid as Supplementary Payments. Notwithstanding the provisions of Paragraph 2.b. (2) of Section I - Coverage A - Bodily Injury and Property Damage Liability, such payments will not be deemed to be "compensatory damages" for "bodily injury" and "property damage" and will not reduce the limits of insurance.

Our obligation to defend an insured's indemnitee and to pay for legal fees and necessary litigation expenses as Supplementary Payments ends when:

- a. We have used up the applicable limit of insurance in the payment of judgments or settlements; or
- b. The conditions set forth above, or the terms of the agreement described in Paragraph f. above, are no longer met.

5. Examination Of Your Books and Records.

We may examine and audit your books and records as they relate to this Coverage Form at any time during the policy period and up to three years afterward.

6. Inspections and Surveys

1. We have the right to:

- a. Make inspections and surveys at any time;
- b. Give you reports on the conditions we find; and
- c. Recommend changes.

2. We are not obligated to make any inspections, surveys, reports or recommendations and any such actions we do undertake relate only to insurability and the premiums to be charged. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

8. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages A, B or D of this Coverage Form, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when b. below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in c. below.

b. Excess Insurance

This insurance is excess over:

- (1) Any of the other insurance, whether primary, excess, contingent or on any other basis:
 - (a) That is Property Insurance which also includes but is not limited to Builder's Risk, Installation Floater or similar coverage for "your work" or for premises of others rented to you or occupied by you;
 - (b) If the loss arises out of the maintenance or use of watercraft to the extent not subject to Exclusion e. of Section I – Coverage A – Bodily Injury and Property Damage Liability
- (2) Any other primary insurance available to you covering liability for "compensatory damages" arising out of the premises or operations or products-completed operations for which you have been added as an additional insured by attachment of an endorsement.

When this insurance is excess, we will have no duty under Coverages A, B or D to defend the insured against any "action" if any other insurer has a duty to defend the insured against that "action". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this policy.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

9. Premium Adjustment

- a. We will compute all premiums for this Coverage Form in accordance with our rules and rates.
- b. The Advance Liability Premium shown in the Declarations is a deposit premium only. At the end of each policy period we will compute the earned premium for that period. If, however, the earned premium is less than the liability premium initially charged, we will return the excess to the first Named Insured subject to the retention of the minimum liability premium shown in the Declarations.

14. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Form, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "action" or transfer those rights to us and help us enforce them.

15. Transfer Of Your Rights and Duties Under This Coverage Form

Your rights and duties under this Coverage Form may not be transferred without our written consent except in the case of death of an individual Named Insured.

If you die, your rights and duties will be transferred to your legal representative but only while acting within the scope of duties as your legal representative.
